

The Brooklyn Science Innovation Initiative*
Summer 2016 at Kingsborough Community College

Attention Current High School Juniors (Fall 2016 Seniors)

Are you interested in becoming a science innovator and/or prospective entrepreneur?

Join us at Kingsborough Community College to take an introductory Earth Science course that is paired with a Virtual Enterprise entrepreneurship experience.
Receive college science credit for an experience unlike anything you have had before.

Some program highlights are:**

- Introductory Earth Science course, EPS 3800 (4 credits, 6 hours).
- In the afternoons, you will work on a virtual enterprise project with an instructor developing a simulated entrepreneurship business via a workshop.
- These two components complement each other. The science course concepts will teach you the concepts needed to work with a team to develop a business product which will be showcased at an end-of-semester event.

Dates: Mondays, Tuesdays, Wednesdays, Thursdays
First Week of July through First Week of August, 2016
(EXACT DATES WILL PROVIDED AT A LATER TIME)

Times: 9:30 am – 3:30 pm

Where: Kingsborough Community College Campus
2001 Oriental Boulevard
Brooklyn, New York 11235

Cost: Free!

Added Perks: Earn four science college credits upon successful completion of EPS 3800; free textbook. Metro card and lunch will be provided.

For more information about the program specifics, contact Dr. Edgar Troudt @ edgar.troudt@kbcc.cuny.edu, Kingsborough Center for Economic and Workforce Development.
